ABOUT US

Our dynamic and dedicated team at DIAD collectively has over 34 years of experience in the Signage, Corporate Promotional Gifts and PPE related products industry.

Procurement from Diad is a hassle-free experience.

Primarily a sign manufacturing company, we understand the requirements of businesses, corporate and government clients and appreciate that timeous service delivery is critical.

Therefore, we are committed to offering competitive, quality and ex-stock Construction & Safety Signs and PPE that will meet the needs of numerous industries including but not limited to Telecommunications, Healthcare, Government, Retail, Mining, Construction and Education sectors. Custom-made signs to suit the needs of our clientele is an integral part of our daily production.

DIAD Signs is a **SABS approved manufacturer of Photoluminescent Signs** conforming to SANS 1186/5 guidelines, **Level 1 BEE Supplier** and a **registered vendor with the CSD**.

The “Industrial Suppliers” division of our business ensures that customers have “peace of mind” to walk into our premises and procure the required **SABS and/or EU compliant** PPE and construction related products from our wide range, thus ensuring compliance with OHS Act, National Building Regulations and Building Standards Act, NHBRC and other governing bodies.
